Action taken

Some of the Connecticut local folks have been working at the details. Big thanks to Sam and Karen Eisenbeiser for taking point this time around. We set up a Slack email group and had a couple conference calls.

- Room blocks locked
- Alumni association will be handling reservations and payments through their web site. Class activities submitted to Alumni so they can create a page for us.
- Chris Cieplik and Tim Opstrup looking into class apparel with custom logos and sizes.

Future plans

Committee goal: lock down all venues and prices by June 1.
 CGA Alumni will have a web page for Class of 1992 for event ticket sales by July 1.
 Lock down class attire selections and ordering web site; distribute to ALCLAS list.
